

Feb 1, 2010 Open Space Mtg minutes 7:00pm

Jassy Bratko, Dottie Athens, Susan Fox, Charlie Clark, Leslie Greiner

Meeting called to order 7:00pm.

Minutes read-accepted by Charlie. Sue 2nded. All in favor.

Re: utility poles on Malone Rd property-Elaine Peterson had wondered whether to keep utility poles and power lines for possibility of community garden in the future. She will talk to the Conservation Committee and selectboard. Tillage for agricultural purposes is allowed under CR.

Deb Rousell had questioned committee's interest as to whether to extend Paul Bedeau's contract to clean up slash at Mt Jeff. His one-year contract is up soon and he would like an extension. Dottie made a motion to extend his contract for 1 yr, Leslie 2nded. Unanimously accepted by committee.

Recapped 5 year action plan item-by-item from last meeting's editing, and edited accordingly. Jassy will write it up and share version with committee for approval and/or further suggestions.

Leslie questioned possibility of researching Native American trails in the area. Susan will follow-up and check Native American history in the area.

There are funds in the Info Park Acct to order the bricks that have been paid for. Karen Chick heads acct. Will check with her. Leslie will check notes on history of brick donation and follow up.

Leslie spoke with Todd Fitzgerald who authorized the committee to use the discarded metal posts at the rec field for possible use at the Malone Rd property, as well as any other discarded metals (old goal posts) we may need.

Charlie Clark will research whether there is a fuel tank under the proposed parking area site to be graded and curb added for the Info Park. He will also speak to the GFA bank to request that snow not be plowed into Info Park area. Follow-up with Deb Rousell.

Gary Howland may be coming to the next OS meeting.

Leslie made motion to adjourn. Dottie 2nded. All in favor.

Mtg adjourned 9:00pm.
