

Oct 3, 2011 Hubbardston Open Space Meeting

Present: Jassy Bratko, Susan Fox, Joe Cataldo, Pat Taylor, Peter DeBlois, Charlie Clark, Leslie Greiner

Called to order 7:00pm.

Discussed Charlie being able to get telephone poles for supports for the 2 bridges on the Behind the Chimney Trail.

Possibly recruit Eagle Scouts to help with building the bridge as a project.

David Klinch, acting chair of the Conservation Committee, will need to fill out permit forms for the bridges and trailwork before end of October. There may possibly be a state fee, but no town fees.

Peter offered to help with a design for the 2 bridges so we can get prices and bids for the work.

Charlie will make a draft for the informational sign at Mt Jeff and discuss with Monty Tech.

Mt Grace horseback trail ride to take place Oct 22 from the Mt Jeff parking area.

Leslie and Sue will re-mark the Behind the Chimney trail to avoid any confusion in finding and following the trail.

Meeting adjourned 8:15pm. All in favor.

Leslie Greiner

Secretary
