

Open Space Meeting

March 2 2015

7:00 p.m.

Attendees: Jassy, Joe, Sue, Pat, Bob

Agenda

An updated 5 year OS plan is needed to apply for a state grant to get a land grant. The OS committee needs to review, edit and give input to the Five Year Plan.

Hubbardston trail inventory maps 2013 were passed out to the members. The historic trails marked in red were established before MDC and the Department of Conservation and Recreation (DCR) had jurisdiction. If we explore these trails and put them into our agenda for adoption in the Five Year Plan, these trails might become part of the Hubbardston system. The maps were called Quabbin to Wachusett (Q2W).

Meeting Closed 9 p.m.

Meeting Minutes by Pat Taylor (Amended)
