Slade Building

Members present: Michael Stevens, Steve Mossey, Tony Coppola, Eric Gemborys, David Klinch, Associate member, Allan Olly, and Clerk Carol Burke

7:00 p.m. Discussion of the wetland violations at 7 Williamsville Road in Hubbardston owned by Larry Nelson
--

It was brought to the attention of the Conservation Commission that someone was cutting down trees on wetlands on Williamsville Road. Mike Steven with the help of the Deputy Assessor, Diane Lanney, identified the site as being owned by the State of Massachusetts Department of Fisheries and Game. It seems Larry Nelson whose property abuts the property and has been cutting trees on state land. Bill Davis of Dept. of Fish and Game Central District was notified.

Motion: David Klinch to issue an Enforcement Order to Larry L. Nelson to immediately cease and desist from further activity affecting wetland resource areas on his property. **Seconded:** Eric Gemborys.
Voted: All members voted in favor.

The members asked Carol Burke to call Ken Brekka, Mr. Nelson's legal council, to invite Mr. Nelson and Mr. Brekka to attend our next meeting on February 10, 2010 to discuss the situation.

7:15 p.m. Wish Me Luck Stables

The Commission members have noticed that the Wish Me Luck Stables at 50 Brigham Street have created new open fields and they are concerned that wetlands have been altered. They asked Carol Burke to write a letter to the owner, Lucie Harding, inviting her to come to our February meeting to discuss this situation.

Meeting adjourned at 7:30 p.m.

Respectfully Submitted, Carol Burke, Clerk
