

Hubbardston Conservation Commission Minutes

September 4, 2013

Library Basement

Meeting called to order at 7:00 p.m. in the Hubbardston Library Conference Room located in the Library Basement.

Present: Steve Mossey, Mike Stevens, Tony Coppola, Larry Therrien

Guest: Mike Toohill, Matt Waldrip, Rebecca Budaj

Motion: Mike Stevens

Second: Larry Therrien

Motion was made to approve the August 7, 2013 minutes with no corrections. All in favor.
Motion carried.

First Order of Business:

Matt Waldrip from the BSC Group came in for a Request for Determination to discuss the Distribution Line Utility Pole Installation off of Pitcherville Road . Four new poles will be going in. Work will be occurring within 100 feet of the buffer zone. Work is not expected to affect the riverfront area. The work will be occurring in the winter so no active species will be out in the area. There will be no direct impact to the wetlands. Sediment controls will be put in place. The work will take a couple of days to a week to complete depending on the weather. Mike Stevens has walked the area and found everything to be as stated. National Grid is requesting a negative dermination.

Motion: Tony Coppola

Second: Mike Stevens

Motion made for a negative determination and to accept proposal as written. All in favor.

Motion carried.

LID Committee:

A member from the Conservation Commission needs to volunteer for the Low Impact Development Committee. Tony Coppola volunteered for the Committee.

Motion: Steve Mossey

Second: Mike Stevens

Motion was made to adjourn at 7:30 p.m with no further discussion. All in favor. Next meeting on October 2, 2013.
