

**Hubbardston Conservation Commission Minutes**

**July 16, 2014**

**Library Basement**

Meeting called to order 11:00 a.m. in the Hubbardston Library Conference Room located in the Library Basement.

Present: Steve Mossey, Tony Coppola, Larry Therrien,

Absent: Tom Larson

Guests: Tammy Bennett, David Bennett

**First Order of Business:**

Tammy Bennett of 171 Gardner Road came in to speak with the board regarding clearing brush, removing debris and putting a 24 inch plastic corrugated pipe in with crushed stone approximately 20 feet long where some water may flow through the property in the spring. Ms. Bennett will also be putting up fencing for agriculture. Ms. Bennett brought in photos of her property and the field that she would be working on. There is a culvert in front of her property which she said has been tagged. Ms. Bennett did approach Chairman Mossey about the tagging and what she wanted to do. Mr. Mossey suggested Ms. Bennett come into a meeting to discuss her plans with the Board. The culvert runs under her property which does have silt backed up in it. Mr. Mossey said that he believes the tagging of property is due to repaving project. The Board has no problem with her continuing to clear her property and add fencing for agricultural purposes.

**Motion: Tony Coppola**

**Second: Larry Therrien**

**Motion was made to allow Ms. Bennett to clear property as described and add agricultural fence. Also to allow plastic corrugated pipe to be put in to avoid water buildup as long as they add rip wrap or crushed stone on inlet and outlet area. All in favor, motion carries.**

**Motion: Larry Therrien**

**Second: Tony Coppola**

**Motion made to accept the minutes of June 4, 2014 as written. All in favor, motion carries.**

**Old Princeton Road:** Mr. Tomas Larson of Old Princeton Road would like to do some maintenance work to a culvert pipe on his property. The Board discussed this and approved the work to be done as long as Mr. Larson calls the office to let them know when work would begin.

**POA: Toni will email Mr. Larson to let him know the work has been approved and that he needs to call the office when work begins.**

Motion: Tony Coppola

Second: Larry Therrien

Motion made to allow Mr. Larson to begin work on a culvert pipe on his property and that he call the office when work begins. All in favor, motion carries.

Motion: Tony Coppola

Second: Larry Therrien

Motion made to adjourn at 11:22 a.m. with no further discussion. All in favor.
