

**Hubbardston Conservation Commission Minutes**

**February 3, 2016**

**Library Basement**

Meeting called to order at 7:03 p.m. in the Hubbardston Library Conference Room located in the Library Basement.

Present:

Steve Mossey, Chairman

Tom Larson,

Tony Coppola

Rick Green

Larry Therrien

Staff: Marie Melvin. Inspectional Clerk

Guests: Robert and Colleen Gabis

**First Order of Business:**

Steve Mossey called the meeting to order with a discussion regarding a resident's complaint of destruction of wetland at the property of 19 Bemis Road. Tony Coppola had made two (2) visits to the property and found that the owner of the property had done damage to the buffer zone. A cease and desist notice had been sent to the owner on January 4, 2016, and he was invited to appear before the board at tonight's meeting. A discussion was conducted and the resident was instructed, and educated on the responsibilities of preserving the wetlands.

**Other Business:**

Steve Mossey introduced a discussion regarding the Town of Hubbardston Headville Road Bridge Project. There has been a change in the plan. The demolition was going to be outsourced to a contract but will now be completed by the Town DPW. The Conservation Commission agreed that it will no longer be necessary to tarp off the area of demolition.

**The Order of Condition was signed for the following NOI projects:**

243 Gardner Street Borrego Solar Project

240 Gardner Street Borrego Solar Project
