

MEETING MINUTES  
BOARD OF ASSESSORS  
January 12, 2009

Attending: John Prentiss, Chairman, Vincent Ritchie, Diane Lanney

Approved November 24, 2008 meeting minutes.

Approved and signed (4) Rollback Certificates: Dreslinski property portion and three Guida properties.

Approved six month GIS Service Maintenance (2/1/09 through 6/30/09). DA explained that the contract is a step towards combining user license fees with the Fire Department beginning FY10, thus reducing total costs.

Reviewed incoming correspondence from SB regarding 2007 audit. The DA fully reviewed the audit and only one item for the BOA was noted.

Reviewed 2010 MRPC mandatory Membership Assessment. The DA questioned if Vin, as Planning Board Chair, was aware of any non-fee services Hubbardston receives from the MRPC for the fee we pay them. They have charged our Town's Open Space Committee exorbitant fees for "messaging" the data this office gives them for free. DA to research if other towns charge MRPC for assessment data.
