March 16, 2009

Attending: Vincent Ritchie, Diane Lanney

Approved meeting minutes from January 12, 2009 and February 9, 2009.

Approved (3) Registry recordings for Dreslinski to Cullinane and Dreslinski partial release.

Discussed Town Administrator presentation of printed MGL 268A in response to BOA statement to BOS that data entry of Reval to be done by DA, paid as an individual, from Property Update Account as was done for FY07. The DA submitted an STM article “place holder” for fund transfer from Property Update Account to Wage Account “just in case”. BOA decision/opinion that this follows several exemptions of MGL 268A has not changed. \*DA will send note to Town Administrator thanking her for her input, with a copy to BOS.

Meeting adjourned at 7:35 p.m.
