

MEETING MINUTES
BOARD OF ASSESSORS
December 28, 2009

Attending: John Prentiss, Diane Lanney

Approved 11/30/09 meeting minutes.

Reviewed SB 11/24/09 meeting minutes, specifically per DA's email of 12/22/09 (attached) as well as SB recommendations and discussion regarding DOR's Financial Management Report relevant to BOA with no communication with this Board.

All Reval stats were approved Wednesday, 12/23/09. Awaiting preliminary certification. Should be forthcoming – hopefully the week of 12/28/09. Conversation with DLS over two weeks ago was confident we would have preliminary by 12/30/09, as they began our Reval work on 12/4/09. This time frame of over four weeks for DOR to review a Reval is unprecedented. There has yet to be any communication from DOR relevant to New Growth (LA13) or what they intend for SOL, as our ATB hearings are 1/5/10 and 1/12/10. This may cause additional certification delay if they are waiting for resolution from ATB. The DA has not only expressed our willingness but also provided documents that would, for FY'10 only, set SOL values at what was issued June 10, 2009. No response to this has been received.

And without final values Certification, the tax rate submission is not allowed.

Entered into Executive Session to review FY'10 Exemption Applications and approve meeting minutes with intent to return to open session to adjourn.

Meeting adjourned at 7:28 p.m.

Next meeting scheduled for Monday, January 4, 2010 at 7:00 p.m.
