Know Before You Go!
Understanding Your Voter Registration / Party Information

Your enrollment as a voter will affect the party primary in which you can vote at the March 1, 2016 Presidential Primary.

At a Primary Election, each political party has a separate ballot. If you are enrolled in a political party, you **MUST** vote on the ballot for that party at the Presidential Primary on March 1, 2016. Massachusetts currently has four political parties. (Letter codes are found in the "Voter" column on your 2016 census.)

- D** - Democratic Party
- R** - Republican Party
- J** - Green-Rainbow
- CC** - United Independent Party

All voters are eligible to vote in a Primary Election.

- Voters not enrolled in any party ("U" for Unenrolled; commonly referred to as Independent) may choose any ballot at a primary election. You will remain Unenrolled after voting.
- Voters registered in one of the 4 political parties above **MUST** vote using that party's ballot on March 1.
- Voters who are members of Political Designations (indicated by other letter codes) may choose any party's ballot at the March 1, 2016 Presidential Primary.

You can check your voter registration status including your party registration at <https://www.sec.state.ma.us/VoterRegistrationSearch/MyVoterRegStatus.aspx>.

If you wish to change your party enrollment for the Presidential Primary, you must do so on or before February 10, 2016. You may change your party enrollment by completing a new voter registration form in person, by mail, or online at www.RegisterToVoteMA.com.
