Mutual Aid Fire 2 Medical 8

Inspections:

3 Residential smoke/CO detectors

Staffing:

1 Fire Chief/Paramedic

3 Full time firefighter/paramedics

5 Call firefighter/paramedics

8 Call firefighter/EMT

1 Call EMT

2 Call firefighters

20 Totals

Notes:

Forestry One is currently out of service. While a firefighter was backing the pick-up into the station the rear right side shackle broke free and the rear axle detached from the truck body. We will be attempting to repair the truck at a cost of around \$1,000. Forestry One is 28 years old and the fact that it is stored out side is bring its useful life to one or two more years tops.

Call Log

4/1	Medical	Lift Assist
4/2	Medical	Head injury
