**Notes:**

After spending the past 2 plus months in the shop due to getting struck by a car while responding to a call, Ambulance 2 (A2) is finally back in service. Luckily we have a second ambulance that was able to respond to the nearly 200 emergency calls that came in while it was away. In the coming months this truck will become the backup truck and A1, which is almost 17 years old will be retired thanks to the taxpayers approving funds for a new ambulance.
