### **Community Policing Events/Programs:**

I Have had several meetings with a private citizen that wants to donate money to the police department for community outreach. The finalization of this should take place in August, at which time several events will be planned.

On July 31<sup>st</sup> Toes and Little Bows, a local photography co. hosted a free photo opportunity for local police. Over 200 police families took advantage of this. Special thanks should also go to John Koziel, who allowed us the use of Rietta Ranch. He also provided free refreshments and food to the participants.

We continue to advise Facebook followers of scams, road construction and news of interest. In regards to social media we have increased our followers

on Facebook from 2036 to 2054 and Twitter from 2750 to 2830. The feedback continues to be extremely positive and followers continue to grow.

**Budget Information/Concerns:**

July was hard on the budget, as is always the case when vacations must be covered. I expect things to settle down in September.

**Equipment and Capital Equipment needs/Concerns:**

There are currently no concerns. Car 100 was replaced with a 2016 Chevrolet Impala. I expect Car 1 to get replaced in late August/Early September with a new Ford Explorer.

**Personnel Information:**

The current personnel continue to fill shifts and work the required details for road projects. The morale remains excellent and officers have been working well together.

**Grants:**

There were no grant opportunities this month however I am exploring a MIAA grant for body cameras.

**Records:**

No Update

**Policy Updates:**

Reviews of policies are ongoing.
