Community Policing Events/Programs:

Resident Bill Shea of The Ruptured Duck sponsored a great day at Field Day. The HPD were well represented and gave away 40 bicycle helmets and more than 100 child id kits. We were also called upon to oversee the Library's annual road race the morning of the festivities at Field Day. The response from the public was excellent and the helmet recipients were very grateful.

On September 29th the officers of the Hubbardston PD were guests of honor at the Center school as they threw a HPD appreciation rally. This did wonders for the morale of the officers and further solidified the connection between the community and the police.

We continue to advise Facebook followers of scams, road construction and news of interest. In regards to social media we have increased our followers on Facebook from 2084 to 2120 and Twitter from 2930 to 2950. The feedback continues to be extremely positive and followers continue to grow.

Budget Information/Concerns:

September saw a leveling of the budget as we welcomed Dominic Walker to the department. He graduated on the 27th, putting the department at full strength and limiting overtime.

Equipment and Capital Equipment needs/Concerns:

Car 1 was turned over to our car supplier to ready its replacement, a 2016 Ford Explorer. With this our fleet will be in great condition with the exception of car 2, which has 125,000 miles on it..

Personnel Information:

The current personnel continue to work as a team and fill the required details for road projects. The morale remains excellent and officers have been working well together.

Grants:

There were no grant opportunities this month however I am still exploring a MIAA grant for body cameras.

Records:

No Update

Policy Updates:

Reviews of policies are ongoing.
